Statement of Compatibility with Human Rights

Prepared in accordance with Part 3 of the Human Rights (Parliamentary Scrutiny) Act 2011

Specification of Occupations, a Person or Body, a Country or Countries Legislative Instrument (IMMI 14/048)

This Legislative Instrument is compatible with the human rights and freedoms recognised or declared in the international instruments listed in section 3 of the *Human Rights (Parliamentary Scrutiny) Act 2011.*

Overview of the Specification of Occupations, a Person or Body, a Country or Countries Legislative Instrument

This instrument (IMMI 14/048) specifies skilled occupations and assessing authorities that are relevant to the assessment of applications for skilled migration under the *Migration Regulations 1994* (Migration Regulations).

Skilled occupations are specified in the instrument by reference to the name of each occupation and the corresponding Australian and New Zealand Standard Classification of Occupations (ANZSCO) code, which is used by the Department of Immigration and Border Protection to designate skilled occupations for migration purposes. Assessing authorities are independent expert bodies who certify that the applicant's educational qualifications and, in some cases, skilled work experience in their occupation, is comparable to that necessary to undertake the same position in Australia. In specifying skilled occupations, the instrument includes the Skilled Occupation List (SOL) which sets out eligible occupations on the SOL are those identified by the Australian Workforce and Productivity Agency (AWPA) as being in shortage in the Australian labour market in the medium to long term.

The instrument also specifies the Consolidated Sponsored Occupation List (CSOL) which similarly provides eligible occupations, ANZSCO codes and assessing authorities for applicants who apply for:

- State/Territory nominated visas;
- the Temporary Work (Skilled) visa;
- the Direct Entry stream of the Employer Nomination Scheme;
- the Occupational Trainee stream of the Training and Research visa; and
- the Occupational Trainee visa.

This instrument will come into effect on 1 July 2014. **Human rights implications**

As the instrument merely specifies the skilled occupations, ANZSCO codes and assessing authorities described above, specification of which is authorised under the Migration Regulations, it does not engage any of the applicable rights and freedoms contained in the seven core international human rights treaties.

Conclusion

The instrument is compatible with human rights as it does not raise any human rights issues.

Senator the Hon Michaelia Cash, Assistant Minister for Immigration and Border Protection
